

## **I Am Dionysus**

Fallen from Apollo's Grace,  
I am Dionysus  
drum melts form, all that's left's being  
living death, and how sweet it is  
my feet stomp form from what I once knew as my form,  
from my body, mind and heart  
I am Dionysus  
I am, and I am not  
—no more thought  
thump-thump, thump-thump
